

HUDSON VALLEY NATURAL BUILDING

Educational Opportunities in

STRAW BALE CONSTRUCTION

2-Day Straw Bale Workshop *July 4-5*
7- Day Straw Bale Immersion *July 1-7*

Check Out www.hvnb.net for details
and more workshop listings!

HANDS-ON workshops on straw-bale construction, packed with the basics of working with straw bales. Topics include stacking, customizing, windows and doors, electrical and plumbing, and problem shooting. We will also discuss design principles, prep, detailing, plasters, and the ever-evolving field of natural building. We will be raising the walls to a newly constructed timber-frame straw-bale home. Celebrate the independence of building your own home with us!
