We are excited to welcome you to the second year of natural building workshops at this site, our nascent family farmstead. We are honored to have you along, and expect this experience to contribute to a better understanding and appreciation of natural building.

All workshops are held in Grafton, NY unless otherwise noted. We will send directions along with a confirmation packet of complete information and directions when after we receive a deposit. Local accommodations are available, but limited. Camping onsite is abundantly available with limited facilities (outhouse, drinking water, solar showers). Lunches are provided for all workshops. Please direct inquires to Jonah Vitale-Wolff at (518) 229-1339 or jonah.hvnb@gmail.com. Registration forms can be sent by email, or snail mail to: 105 Grand St., Albany, NY 12202.

Non-refundable deposit for workshops is \$50. Deposit for immersion sessions is \$100. Please indicate what you intend to pay on the sliding scale. If you cannot pay within the sliding scale please contact us for other options. We have never turned anyone away due to lack of funds.
